THIRTY LEADING MONEY-WINNING OWNERS

The unlooked for success of Rocky O'Brien in the rich Hopeful Stakes had the effect of rushing J McManus up into seventh place in the list of winning owners of 1999. Outside of this notable occurrence no changes or additions of great moment took place in the course of last week's racing and, including Saturday's results, the relative standing of the thirty leading owners is now as follows:

THE ALBANY HANDICAP TODAY

Some smart two-year-olds will contest the ninth running of the Albany Handicap at Saratoga afternoon. It was won last year by H. P. Whitney's Sea Cliff, a winner this year in England. Jaffrey, the winner of 1907, was perhaps the best two-year-old that ever carried off the honors of event, but unluckily became infirm in his forelegs and has not been able to make any showing as a thyegr-old. Jack Lory, the winner of 1904, was another rattling good two-year-old. The record of the 12 ar follows:

BELMONT YEARLINGS DOING WELL.

Names Bestowed on Youngsters That Will Race Next Season-Gossip from Belmont Park.

New York, August 16.—Several stables which play an important part in racing on the metropolitan courses arranged to have their yearlings broken and tried at Belmont Park, where the facilities for handling juveniles are superior to those of any other course in America. Among those that have taken advantage of training over Superintendent William A. Gorman's vast enclosures are Richard F. Carman, the Brownleigh Park Stable, Kimball Patterson and William R. Griffin.

The August Belmont yearlings which will be trained by John Whalen next season are in the Belmont process of the property of the process o

In the absence of trainer John Whalen, the foreman, Louis Feustel, has had charge of the breaking
and developing of the yearlings.

Trainer Cornelius Mack, who is handling the yearlings purchased by various owners for Kimball Patterson to campaign next season, is satisfied with the
prospects of developing some useful unaterial. In

CLASH IMMINENT IN CANADA

Toronto, Ont., August 16.—A federal charter has been granted to the Metropolitan Racing Association of Canada, with headquarters here and an authorized capital of \$100,000. The incorporators are A. A. Cotton, A. E. Melbush, A. J. Rattray, A. C. Hornby and P. F. Callon, of Toronto, and John MeBean, of Georgetown. The new organization has options on several tracks, principally of the half-mile description. Both trotting and running races will be given. The charter allows bookmaking.

The promoters declare they will respect Jockey Club rulings in the United States for fraud. The move probably means racing throughout eastern Canada in opposition to the Canadian Racing Associations.

AMBITIOUS PLANS FOR SARATOGA.

Big Men of the Eastern Turf Raising Large Fund

Saratoga, N. Y., August 16.—Inspired by James R. Keene's enthusiasm over the success of the current race meeting here and his comments on the prospects for Saratoga racing, subscriptions to a fund of at least \$100,000 to guarantee values for the enrichment of two and three-year-old stakes in succeeding years are being pledged. The movement at once aroused the warm approval of breeders and horsemen when the plan was proposed and is commended by men prominent in turr affairs aside from the officers of the Saratoga Association. Mr. Keene started the movement by promptly subscribing \$5,000. His lead was followed quickly with subscribings of like sums by Richard T. Wilson, Jr., the Newcastle Stable, W. S. Fanshawe and Philip J. Dwyer, while substantial support is promised by many other horse. This guarantee fund is subscribed with the condition that any earnings of the Saratoga Association exceeding eight per cent, will go to the racing fund. The object of the guarantee fund is to provide first-class two-year-old racing, with valuable added money of at least \$10,000 for each stake, and in addition to this there will be a series of three-year-old stakes, with fully as large an amount of added money to each stake.

Within a few days the association will make public the conditions and distribute entry blanks for the new stakes to be run in 1910 and 1911. At the same time the association will announce its intention to race twenty-four days during the month of August in succeeding years. No opposition to these dates is expected, but if there should be racing at any other track in that month the Saratoga Association to restrict the conditions and to make Saratoga as popular a racing center in this country. Saratoga as popular a racing center in this country as is Trouville in France, Baden Baden in Germany and Ascot and Goodwood in England.

The Saratoga As

France, Baden Baden in Germany and Ascot and Goodwood in England.

The Saratoga Association will make an effort to place the sport here on the highest plane of excelience yet attempted in this country. It has been proven beyond cavil that it is to the racing alone that the success of the present season at Saratoga may be attributed. Without any counter attractions, excepting, of course, the health-giving springs that have made Saratoga famous, the racing has attracted to this popular resort assemblages of the highest class of citizens within a radius of a hundred miles, besides many from afar. There is an almost absence of the undesirable element in Saratoga this year. With the prospects of a state park, beautified and embellished by-a generous appropriation made by the legislature and with the prospect of polo, golf and kindred sports in profusion, the future of Saratoga was never brighter than at present.

LAYERS HEAVY LOSERS AT SARATOGA.

Saratoga, N. Y., August 16,—It is asserted that a majority of the professional layers of odds have lost heavily here this month. George Rose, Tom Shaw, William Beverly, Max Marks and A. J. Levy have been particularly hard bit, according to report. It is said that Tom Shaw has had an especially disastrous experience. Just how much he has lost cannot be assertained, but from men who are in close touch with him it is learned that he was many thousands of dollars poorer than when he arrived in this village. Shaw's inability to pick winners has now become a byword with the men who lay the odds. Where formerly his money was feared because it carried with it a potent influence to return again to its owner with valuable interest attached to it, it is now accepted gladly. In the days when Shaw was phenomenally successful, his money was called "educated." Now it is termed "soft and easy."

HIGH-PRICED FILLY TRANSFERRED.

Lexington, Ky., August 16.—The yearling filly by Adam—Ellangowan that the Newcastle Stable purchased from T. J. & G. H. Clay last week for \$5,000, was turned over to Manager Charles McCracken of Millstream Stud today for breaking and training.

JOCKEYS SUSPENDED AT BUTTE.

San Francisco, Cal., August 16.—Martin Nathan-son, who represented the Pacific Jockey Club as steward at the Butte meeting, has filed a report that Jockeys Donvitz, W. Stewart, A. Aubuchon, A. Morgan and H. Smith are under suspension.

TRACK IN BAD CONDITION

HEAVY RAINFALL GIVES MUD RUNNERS AN-OTHER CHANCE AT WINDSOR.

Decision of Yesterday's Program Attended by Upsets That Enable the Layers to Recoup-Centre Shot Makes Especially Poor Showing.

Detroit, Mich.. August 16.—Heavy rains which fell yesterday and this morning, followed by showers this afternoon, put the Windsor track in bad condition and brought about the withdrawal of thirty-one of the eighty-one horses carded as starters. The attendance was surprisingly large, considering the adverse weather conditions. Twenty-seven layers operated and profited extensively by the defeats of several of the most heavily backed choices. After accompaniment of wind of almost cyclonic velocity, which for a period threatened to cause a banic.

The defeat of Merrick and Centre Shot by the suddenly improved Sir Edward was one of the greatest surprises of the afternoon. Merrick's failure was partially due to J. Reid's poor handling. The boy allowed him to lose much ground, taking the horse wide into the stretch. Centre Shot ran far below her form and ceased to be a serious factor after going a half mile. Smiley Corbett showed his eustomary turn of high speed, but quit early, as in his previous starts.

In the mile dash, Martham and partially developed the current of the mile dash, driven and partially developed the current of the mile dash, driven and partially developed the provious starts.

In the mile dash, driven and forward pursuit of Embor William until passing the half-mile ost, where Harty took him wide, which permitted Michael Angelo to pass him. On the stretch turn Harty again fumbled with his lines, but the horse came with great courage and overlauled Michael Angelo for second place. Emperor William had assumed too great a lead in the first three-quarters to be overlaken and won with plenty in reserve.

In the sixth race Goiconda, ridden by S. Davis, was favorite, and Nettic Traver the smartly backed good thing and ultimate winner. Golconda lacked carly speed and was a distant trailer during the entire stages, but a firer going three-quarters he moved up with a rush until nearing the final furione, was favorite, and Nettic Traver the smartly backed good thing and ultimate winner. IMPROVEMENTS FOR WINDSOR PLANT.

Detroit, Mich.. August 16.—The patronage at Windsor this season is 25 per cent, greater than at any previous meeting at that track. This will, of course, mean increased profit to the association, but being fully one of conditions the management will be the consideration of the desired profit of the management will be commodious and up to date in every respect, is in contemplation, and when this is erected the Windsor plant will compare favorably with the most modern courses in the Dominion. The transportation facilities will also be improved.

HAS RESPECT FOR HILDRETH'S METHODS.

Saratoga, N. Y., August 16.—Handicapper Vosburgh seems to hold the training of Sam Hildreth in high respect. As soon as Hildreth gets a horse, the weight adjuster of the Jockey Club raises him in his handicap. The treatment Mr. Vosburgh has accorded to Fayette here at Saratoga is a case in point. Favette has gone up seven or eight pounds in Vosburgh's handicaps since his transfer to the Hildreta stable,

T. K. Lynch. TRAINER OF ROCKY O'BRIEN.

Saratoga, N. Y., August 16.—Kimball Patterson, who trained and saddled Rocky O'Brien for the Hopeful, is a younger brother of Charles T. Patterson, the man who developed Ornament and Hamburg in the late 'nineties. He belongs to the younger generation of trainers and has trained for Mr. McManus, the owner of Rocky O'Brien, for two years. He bought the winner of the Hopeful for Mr. McManus at the Mackey sale last year. Mr. Patterson paid \$800 for Rocky O'Brien a few minutes after James Rowe, acting for James R. Keene, paid \$1,500 for Grasmer, then known, as the Meddler—Rotha II. colt.

Rocky O'Brien is small, but is a tough little horse. Patterson gave him a grilling for Saturday's race to break him of the habit of stopping. Patterson is of the opinion that it is work Rocky O'Brien now on.

SATURDAY'S SHOWING AT SARATOGA.

Saturday's Showing at Saratoga.

Saratoga, N. Y., August 16.—With an attendance shown by the count at the gate to be ahead of the corresponding Saturday two years ago, before the Hart-Agnew law went into effect, the hold of racing on the pleasure-loving public was amply proved at Saratoga Saturday. It was essentially a holiday gathering, and the "regular" was so hopelessly in the minority as to be unnoticed amid the thought of visitors from all parts of the country who are a gambling proposition. "I think we have the highest class amount of the highest class amount of the highest class amounts representative crowd every wijson, Jr., president of the Saratoga Association. "The greatest hopes of the association have been exceeded by the way the general public has responded to our efforts to make racing attractive as an outdoor sport,"

BREEDING BUREAU IS GETTING RESULTS.

Canadian Organization Doing Great Work in Im proving Breed of Horses.

Montreal, Que., August 16.—The National Bureau of Breeding is commencing to get reports from different parts of Canada and sufficient data has already been received to show that it has attained the object aimed at, which is to improve the breed of horses in Canada by means of the thoroughbred cross. On account of the greater grazing areas and the fact that fodder is so much more readily obtained, the western provinces will probably lead the east in the number of the half-breds raised. Every stallion placed in the west has had a full limit of services, and many more thoroughbreds are required between Winnipeg and the coast.

In the vicinity of Montreal, Ottawa, Hull and Quebec the work has been well carried out, and a vast improvement will soon be seen in the quality of the lighter kind of horses. At Ottawa ninety one selected mares are in foal to thoroughbred stallions. In Montreal and the surrounding country there are about eighty mares in foal to thoroughbreds.

Although the bureau does not aim to produce thor-

ions. In Montrear and the transfer are about eighty mares in foal to the transfer are about eighty mares in foal to the transfer are discussed and the transfer are the transfer are transf

to be in foal. At this time last year there were only two thoroughbred mares in this vicinity in foal.

The bureau stallions placed in New Brunswick did not reach there until the season was half over, but in spite of this it is expected that they will average forty foals each. Away up in Bruce Mines in Alroma, Bushmont has been mated with seventy one mares.

The bureau a few weeks ago sent out circulars to the different men with whom stallions have been placed, asking them bow the farmers liked the horses and what the prospects looked like for next season. In every instance the reply is that the farmers are well pleased with the bureau horoughbred, and that each horse will be booked to the limit prescribed in 1910. The weeks the work will be pushed from the limit prescribed in 1910. The weeks the work will be pushed from the limit prescribed in 1910.

H. C. Lawson, secretary of the Board of Trade, Regina, has been appointed secretary for the National Bureau for Saskatchewan.

Farmers in Quebec who have bureau stallions are getting ready for the fall fairs, Samuel Nesbitt, of Petite Cote, will show Rosemount, winner of the blue ribbon at the Montreal Horse Show, at the Central Canada Fair, and also at Sherbrooke and Three Rivers. Emmett Beerwort, of Clarenceville, Que., will show Botanist at Ottawa and also at Sherbrooke. Masterman will probably be sent up from Quebec to the Three Rivers fair. Bushmont will be shown at the big fair at Sault Ste. Marie, and other horses will be shown in the west, One of the bureau thoroughbreds which will compete for the gold medal at Ottawa is Valjean, which has developed into a fine horse.

ZIEGLER PLEASED WITH BARLEYTHORPE.

Saratoga. N. Y.. August 16.—Henry M. Ziegler was much gratified at the showing made by Barley-thorpe in the Hopeful. The big barrelled Woolshope coll showed a fine turn of speed and made a game fight. Barleythorpe will be fitter at Sheepshead Bay than he has been here. He ran Saturday off comparatively little work. It was less than a week since he had recovered from a distemper that would have put a less robust horse on the shelf for a month or more.

It is improbable that William S. Fanshawe and Morton and Charles Schwartz will purchase Barley thorpe. Charles Hughes wants \$15,000 for him, and they do not care to make such an investment. Barleythorpe will bear the colors of Mr. Ziegler in the Futurify at Sheepshead Bay, and also in several ofher races to be run at that track. There is a possibility of his meeting Waldo in the Flatbush or the Great Eastern.

NOTES OF THE TURF.

The two-year-old bay colt by Bridgewater—Brenda as been named Martin May.

Clarence H. Mackay received \$1.000 as the nominator of Rocky O'Brien, winner of the Hopeful Stakes at Saratoga Saturday.

Notice of count partnership of Sig Levy, A. Weber and J. S. Ward in the thoroughbred racers, Belleview and Console, has been filed with the Jockey Club.

Club.

When August Belmont's Fair Play returns to America within the next two weeks, he will be handled by John Whalen, who broke him as a yearling.

Miss Mazzoni died of blood poisoning following intries sustained in a race at Victoria, B. C., recently. Bazil has succumbed to catarrhal fever at the same track.

Philip J. Dwyer will celebrate his sixty-fifth birthday next Saturday, when his racing friends will give him a dinner at the Saratoga race track clubhouse. On the following day the annual dinner of the Newcastle Stable will be given:

Arthur B. Hanocok, one of the proprietors of

Arthur B. Hancock, one of the proprietors of Ellersile Stud, near Charlottesville, Va., is making a short visit in Kentucky. Mr. Hancock reports the stallion Fatherless and all the other stock at the Ellersile Stud in good condition.

W. A. Engeman and his attorney. Charles H. Hyde, were quoted as saying Saturday that racing will be resumed at Brighton Beach next season, and that the association, which has been in financial difficulties, by that time will be placed on a sound financial basis.

financial basis.

After each of the three selling races at Saratora Saturday there was a prompt adjournment of several hundred to the paddock, where in a box within a roped enclosure Clarence McDowell, presiding judge, stood while he offered the winners for sale. In no case was there a bid, who is at Saratoga from Kenteky, says that the yearlings in which he has registered a partnership with Walter Jennings, were left at Raceland when Mr. Woodford's yearlings for the sales ring came east in the spring. These young sters are highly connected and they will race next summer in the colors of Mr. Jennings.

S. F. B., Cleveland, O. The parlay won, being void as to Lady Sybil because there was no separate show price against her.

Geo. S., Chicago. Cannot say. It is a matter entirely in the discretion of their owners. Both are eligible to the Huron Handican tomorrow.
